

# WINDOWS 8 Special! \$849.00

Windows 8 will be available on October 26th, 2012!

We will build you a custom Windows 7 PC that will include an upgrade to Windows 8 when it is released.

This 64 bit machine will be 100% Intel, with an Intel Motherboard, Intel i5 Processor, Intel 180 Gig Solid State Drive and 8 Gig of RAM!

This is a GREAT machine! Boot time in under 30 seconds!

Our price to you is only \$849.00!

Comparable machines from Dell or HP currently cost \$1,500.00.

What do you get????

- Mid-Tower Case with 400 Watt Power Supply
- Intel Motherboard with dual monitor capability
- Intel i3-2120 dual core processor
- 8 Gig of Kingston RAM
- Intel 180 Gig SATA 3, Solid State Drive
- DVD R/W, CD R/W
- Windows 7, 64 Bit with Windows 8, 64 bit upgrade
- Logitech USB Keyboard & Mouse
- 3 year on-site hardware warranty from Ellegent in the St. Louis area.

**Limited Time Offer**

**Expires 10/21/2012**

Because this is a custom machine, we can make it the way you want for the same or very little more.

Like what?

- Upgrade to an i5-2300, quad-core processor for: \$90.00
- Add an internal, 1 Terabyte drive for storage: \$99.00.
- Add Wireless: \$39.00
- Add 24" monitor for \$191.00 (3 yr. warranty)
